About Dalumi

Dalumi CC is a primary female black owned entity and was founded in 2007. Dan Parkies and Luleka Parkies owns the company. With Dan Parkies having more than 20 years experience in plumbing

together Dan and Luleka established Dalumi CC. With Dan in the field and Luleka in the office they are a well established team that are providing high quality and professional services to their clients.

Mission

We are out there with a mission and we are committed to the following.

- Opened Electrical side
- Opened Construction Side
- Providing fast and efficient service
- High quality of workmanship
- Using quality products
- Competitive and fair pricing
- After sales Service
- Secure Workmanship
- Comprehensive Insurance (Public Liability) for customer's peace of mind

Vision

We are a big family at Dalumi and we are looking to expand in all our areas of expertise even more.

In Plumbing we are looking for the latest equipment to use and latest technology available to us and the customer.

In Electrical we are looking to expand into Solar supply and installations with competitive pricing and the best equipment.

In Construction we are looking to expand to bigger projects in carpentry and tiling.

Dalumi Plumbing cc

We pipe it right

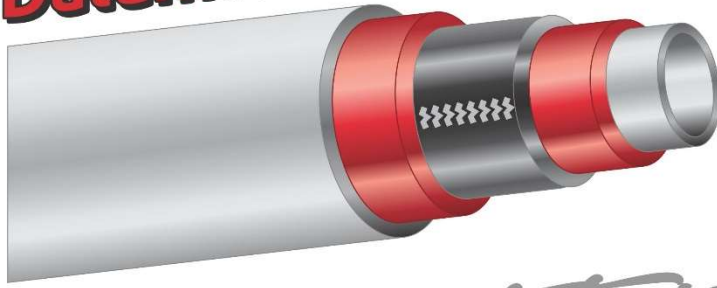

Dalumi Plumbing

Dalumi Plumbing carries out all aspects of maintenance plumbing and drainage. We are on the panel of Standard bank Insurance and Fogi. With our qualified teams we focus on the following areas.

- Burst Pipes – Replacing of burst pipes
- Burst Geyser – Replacing, maintaining and testing of geysers
- Blocked drains – We have invested in a drain cleaning system to simplify the clearing of all types of drains, pipes and sewerage blockages.
- Specialized services – We are also doing leak detection and drain inspections using camera technology.
- Sanitary ware – We install new bathware (e.g. cisterns, bathtubs and basins).
- Smart Device – This device will shut down your geyser auto matically

Our team members stay up to date with latest technology on equipment to use and on equipment to be installed like Kwikot.

Dalumi Electrical cc

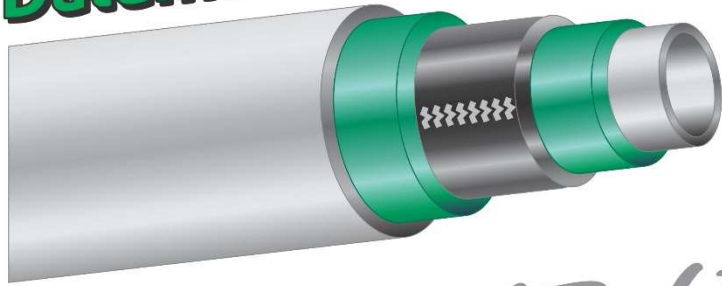

We connect it right
